Where does the money go?

The parcel taxes will be used to replace Marin County's aging emergency communications system; reduce 911 response times, improve communications reliability during earthquakes, floods, fires and other disasters; and ensure reliable communications among police, fire, and paramedic first responders throughout Marin County.

For how many years has the parcel tax been authorized?

The Measure A parcel tax has a term of 20 years, commencing in the 2015-2016 tax year. The final levy for the Measure A parcel tax will be for the 2034-2035 tax year.

Who voted for this parcel tax?

The Measure A parcel tax was put before the registered voters of Marin County as a General Election ballot measure on November 4, 2014. The measure passed with 67.14% approval.

I occupy multiple residences which are located on different parcels. Can I receive an exemption for all of them?

No. You may only claim **ONE** parcel as your primary residence.

I sent in the low-income senior exemption application before June 1. Why is the charge for the Measure A parcel tax still on my property tax bill?

If you have evidence that you submitted a low-income senior exemption prior to June 1 (e.g. certified mail receipt, fax confirmation, receipt from our office of hand-delivery, etc.), please provide a copy of such evidence to us. We will review on a case-by-case situation to verify your submission of a low-income senior exemption application.
