SUBJECT: AGENDA ITEM C-2: CEQA Process and Schedule Update – Next Gen Project

Recommended Action: Accept this report on the status of the CEQA process and schedule for the MERA Next Gen Project.

The draft Subsequent Environmental Impact Report (SEIR) for the Next Gen System Project was completed and submitted to the State Clearinghouse on September 6, 2019. This starts the public review period under which interested parties may submit written comments up until October 21, 2019. A public hearing will be held by the MERA Board on October 10, 2019 from 6pm to 8pm in room 330 of the Civic Center at the Board of Supervisors Chambers to hear public comment on the SEIR. The draft SEIR documents can be found here:
