MEMORANDUM

DATE: October 4, 2005
TO: MERA Executive Committee
FROM: Martin J. Nichols, Executive Officer
SUBJECT: AGENDA ITEM F: MERA LOGGING SYSTEM

As the Sheriff's office reported to the Board on August 18, 2005, there are ongoing problems with the MERA logging recorders in the County dispatch center. This equipment records dispatch audio.

The Sheriff wants MERA to:

1. Replace the existing servers with higher capacity equipment.
2. Approve a system maintenance agreement for the new servers.
3. Hire a consultant to prepare a RFP for a replacement system.
