DATE: July 22, 2020
TO: MERA Governing Board
FROM: Raul Rojas, Acting Operations Officer
SUBJECT: AGENDA ITEM D-4: Other Informational Items

Discussion: In order to ensure continued operation of the existing MERA microwave backhaul network, DPW intends to enter into an extended warranty agreement with Aviat Networks, the current microwave system vendor. Aviat has submitted proposed service agreements for MERA's 14 antenna sites and the County's Emergency Operations Center Facility (EOF). The proposed annual cost for the extended warranty service is \$9,700. DPW staff is currently working with Aviat on clarification of scope. Once the agreement is finalized and executed, an update will be provided to your Board at your next meeting.
