FROM: Dave Jeffries, Deputy Executive Officer for the Next Gen Project
SUBJECT: AGENDA ITEM B-5: Proposed Award of Bid for Next Gen System Project Bid Package No 1A

Recommended Action: Review, discuss and award Bid Package 1A (IFB#2020-001A) to Fidato.

Introduction:

On 01/27/2020, the MERA Governing Board approved release of Bid Package 1A, which involves the site work at Dollar Hill, Mt. Tiburon, and Stewart Point. The Bid Package was released on 02/17/21 and closed on 04/16/21.

MERA's engineer's estimate was \$441,761. MERA received two complete bids:

1. Fidato Base Bid: \$410,000
2. LD Strobel Base Bid: \$499,887

AECOM staff and I reviewed the bids. Based on that review, I recommend that the MERA Governing Board award Bid Package 1A (Dollar Hill, Mt. Tiburon, and Stewart Point) to Fidato and authorize staff to complete the process.
