Governing Board Communication

TO: MERA Governing Board
FROM: Todd Williams - Operations Officer
SUBJECT: MERA System Operations Update – January 2022

MERA Systems Maintenance

In January 2022, the Telecommunications Division provided the following support to MERA:

1. Mill Valley to Mt. Tamalpais microwave transmitter failed. Site ran on the back up transmitter until the spare could be installed (affects both Mill Valley stations).
2. Big Rock to Sonoma Mountain microwave transceiver went out. Site ran on the back up transmitter until the spare could be installed (delayed spare install due to road conditions).
3. Sheriff's dispatch center had the redundant microwave transceiver go into alarm. Site ran on the back up transmitter until the spare could be installed (affects Tam and Civic Center dispatch consoles inoperability).
